GLOBAL STRATEGIES, INC.®

who we are

Global Strategies, Incorporated is a high-end protective service and consulting firm dedicated to providing the best services to those clients who can afford our unique capabilities. Our company began with a simple concept: Take the best practices of top government protection agencies from around the world, discard those practices that were impractical, and meld the results into a private sector commercial service for a reasonable price.

our mission

Global Strategies, Inc. seeks to establish long-term client contracts based upon performance and value. We approach each and every business relationship with passion and dedication, never forgetting our most valued asset is you; our clients.
